

If you have tested positive for corona virus; have corona virus symptoms or are feeling unwell in anyway, please STAY AT HOME and DO NOT come to Church.

We were recently contacted by NHS Track and Trace informing us that someone who had been at Mass at tested positive.

This has huge implications not only for the person concerned but also for any in close proximity to them. If any of the Clergy need to self isolate because of a similar situations then this would impinge on any weddings; funerals or baptisms that may be arranged at that time.

Please STOP and THINK before you act.

We have a moral obligation to each other during these times of difficulty.

Face coverings are still a must, unless exempt.

Hand sanitize is mandatory on entering and exiting the Church building.

Please comply with the instructions of the Stewards, they are volunteers and are here for a reason. We can not open the Church without them.

The First Minister has now said that social distancing is no longer necessary, as of Monday 9th of August 2021. However some people may still feel anxious, so please be respectful of their desire to keep distance.
