With the onset of winter, I thought it would be a good idea to remind everyone that 'Covid' has not gone away and with the increase in cases of infection and admissions to hospital bringing with it the possibility of more restrictions being brought in, it is important more than ever to be vigilant in our parishes.

1. Maintaining good hand hygiene- everyone should sanitise their hands on entering and leaving the Church.
2. Continued practising of respiratory hygiene and cough etiquette.
3. Wearing face coverings is mandatory in Scotland in public places such as places of worship.
4. The ensuring of ventilation—opening of doors & windows during Mass & between Masses to allow a stream of air to pass through the building.

**PLEASE WRAP UP WELL** as temperatures begin to fall.

5. Continue to engage in Test & Protect. Parishes should keep a register of those who attend Sunday Masses; Weekday Masses & all services or parishioners should use the QR Code at front door.

Diocesan Covid Co-Ordinator.

I will be away from the Parish until 30th November.  
In the event of an emergency please call Fr Sweeney on 01698-297037
